t/a Tire Check Inc.

At

Suite 23, Clare Technology Park, Gort Road, Ennis, Clare, V95 H99H

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2013

This certificate is valid for the activities specified below:

The design, development, production, distribution, and provision of professional services in relation to software solutions, Tire Pressure Monitoring Systems and industrial IOT hardware devices.

Certification to the standard is made under the Statement of Applicability (version 6.9 15/03/2022) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
To verify this certificate validity please contact us at info@certificationeurope.com
